MEMORANDUM FOR: Acting Director, OTS

SUBJECT: MKULTRA Files

Per instructions from Dr. Gottlieb, former Chief/DDP/TSD, all MKULTRA files, branch files and those retrieved from archives, were destroyed on 31 January 1973. (see attached) To the best of my recollection the MKULTRA projects were terminated in 1966 or 1967. I have no knowledge of the ULTRA type materials having been used operationally against US Citizens.
